VENUE DESCRIPTION

Kung Fu Saloon is a fun loving West 6th Street area watering hole featuring a relaxed atmosphere in downtown Austin. Known as one of the most popular bars to both locals and visitors alike, Kung Fu offers a full bar including 24 draft beers ranging from the every mans Lone Star to the Belgian mans Chimay. Entertainment includes 16 vintage arcade games like Ms. Pacman, NBA Jam, Street Fighter II, Galaga, Golden Tee, & Big Buck Hunter. The fun continues with foosball, three original Skee Ball machines (always free!), Giant Jenga, Giant Connect Four, and board games. Chicago brick & 100 year old Texas barn wood keep it comfortable. Random accents like Space Invaders with glowing eyes invading down the masonry and pixilated images of martial artists keep it amusing.
